Subject: Do You Know Someone Who Needs Help Paying Their Rent & Utilities Because of Covid-19?

DO YOU KNOW SOMEONE WHO NEEDS HELP PAYING THEIR RENT AND UTILITIES BECAUSE OF COVID-19?

The **New Hampshire Emergency Rental Assistance Program (NHERAP)** provides assistance to eligible residents who are experiencing financial hardship due to the COVID-19 pandemic, and are at risk for homelessness, or living in unsafe or unhealthy housing.

Please help us get the word out about this important federal/state rent and utility assistance program for people who have been impacted by the COVID-19 pandemic.

- **If you are a community partner** with questions, please contact Lynn Greenleaf Lippitt at llippitt@nhhfa.org
- **If you know someone who needs assistance**, please refer them to CAPNH.org or 2-1-1. The Community Action Partnership agency will assist with the application process. The application can be completed online, or a paper application can be requested or downloaded (in English and Spanish).

Please share and post our flyer. Additional translations of the flyer and postcards can be found in the NHERAP Toolkit webpage.

WHAT THE PROGRAM COVERS

- Past-due and future rent payments
- Utilities, such as electricity, home heating, costs, water, sewer, trash
- Other housing-related costs such as internet and relocation expenses associated directly or indirectly with COVID-19
- Relocation expenses including rental application fees, utility hook-up fees, and security deposits
- You may qualify for utility assistance even if you do not receive or need rental assistance

PROGRAM ELIGIBILITY

- Certain income requirements must be met.
- You do not need to be receiving unemployment benefits payments.
- The CAP agency will assist in identifying information needed.
- Eligible households may qualify for assistance for past-due and future rent and utility payments for a period not to exceed 15 months.
